LaDina

Colourful, light and funny LaDina is a new pop archetype. Easy to move and place it perfectly matches indoor and outdoor settings giving a friendly and warm atmosphere.
Decorative portable lamp for outdoor/indoor use. Configuration: polyethylene structure with satin white emitting unit and colour closing screw-on cap (6 colours available) with anti-loosening system. The luminaire is supplied with 5 meters black neoprene cable and CEE7/17 plug (schuko compatible). A Velcro strap to be wrapped around the upper handle allows a quick installation.

LamegaDina IP65

Max 30W TC-TSE E27 compact fluorescent lamp

Height: 770mm
Diameter: 360mm

Protection rating: IP65;
In compliance with EN60598-1
Class of insulation: II

Installation: the luminaire is equipped with 5 m black neoprene cable and CEE7/17 plug (schuko compatible). A Velcro strap easily and quickly coils the cable up. The flat base gives the luminaire a stable standing position while the upper handle allows a tight hold to move the luminaire.
