# Niko, Comfort and quality in every living and working environment

In a world where speed is everything, customers make high demands on comfort and design. Both in their living and working environments.

Niko enables you to integrate limitless comfort in every room of a house.

Niko designs and produces advanced solutions for electrical switching material, lighting control, home automation, intercom systems and videophones. All over the world, both individuals and professional customers choose Niko's quality solutions because of their ease of installation, their ease of use and their design.

In this catalogue is an overview of our large product offering.

Familiar and new products. High-quality products based on years of experience.

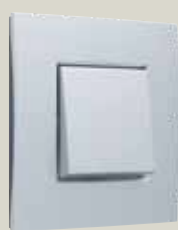

Niko Pure bamboo

For **Niko Intense**, the touch and feel takes centre stage. The range has a minimalist design with soft lines. These give the switch a wealth of character.

White

Sterling
