## **Niko** *Mysterious*

**Niko** *Mysterious* invites creativity. These products take on the colour of the wall and can be painted or wallpapered over, or integrated in a wooden or marble kitchen benchtop. **Niko** *Mysterious* products are also available with wave control, which allows you to control your lighting remotely by simply waving your hand.

**Niko** *Mysterious wave control*

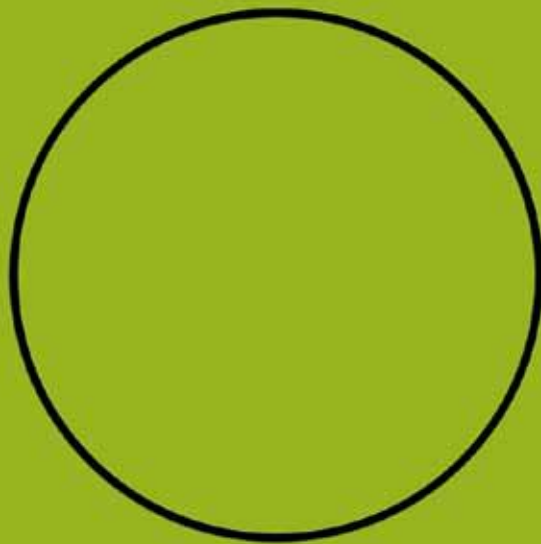

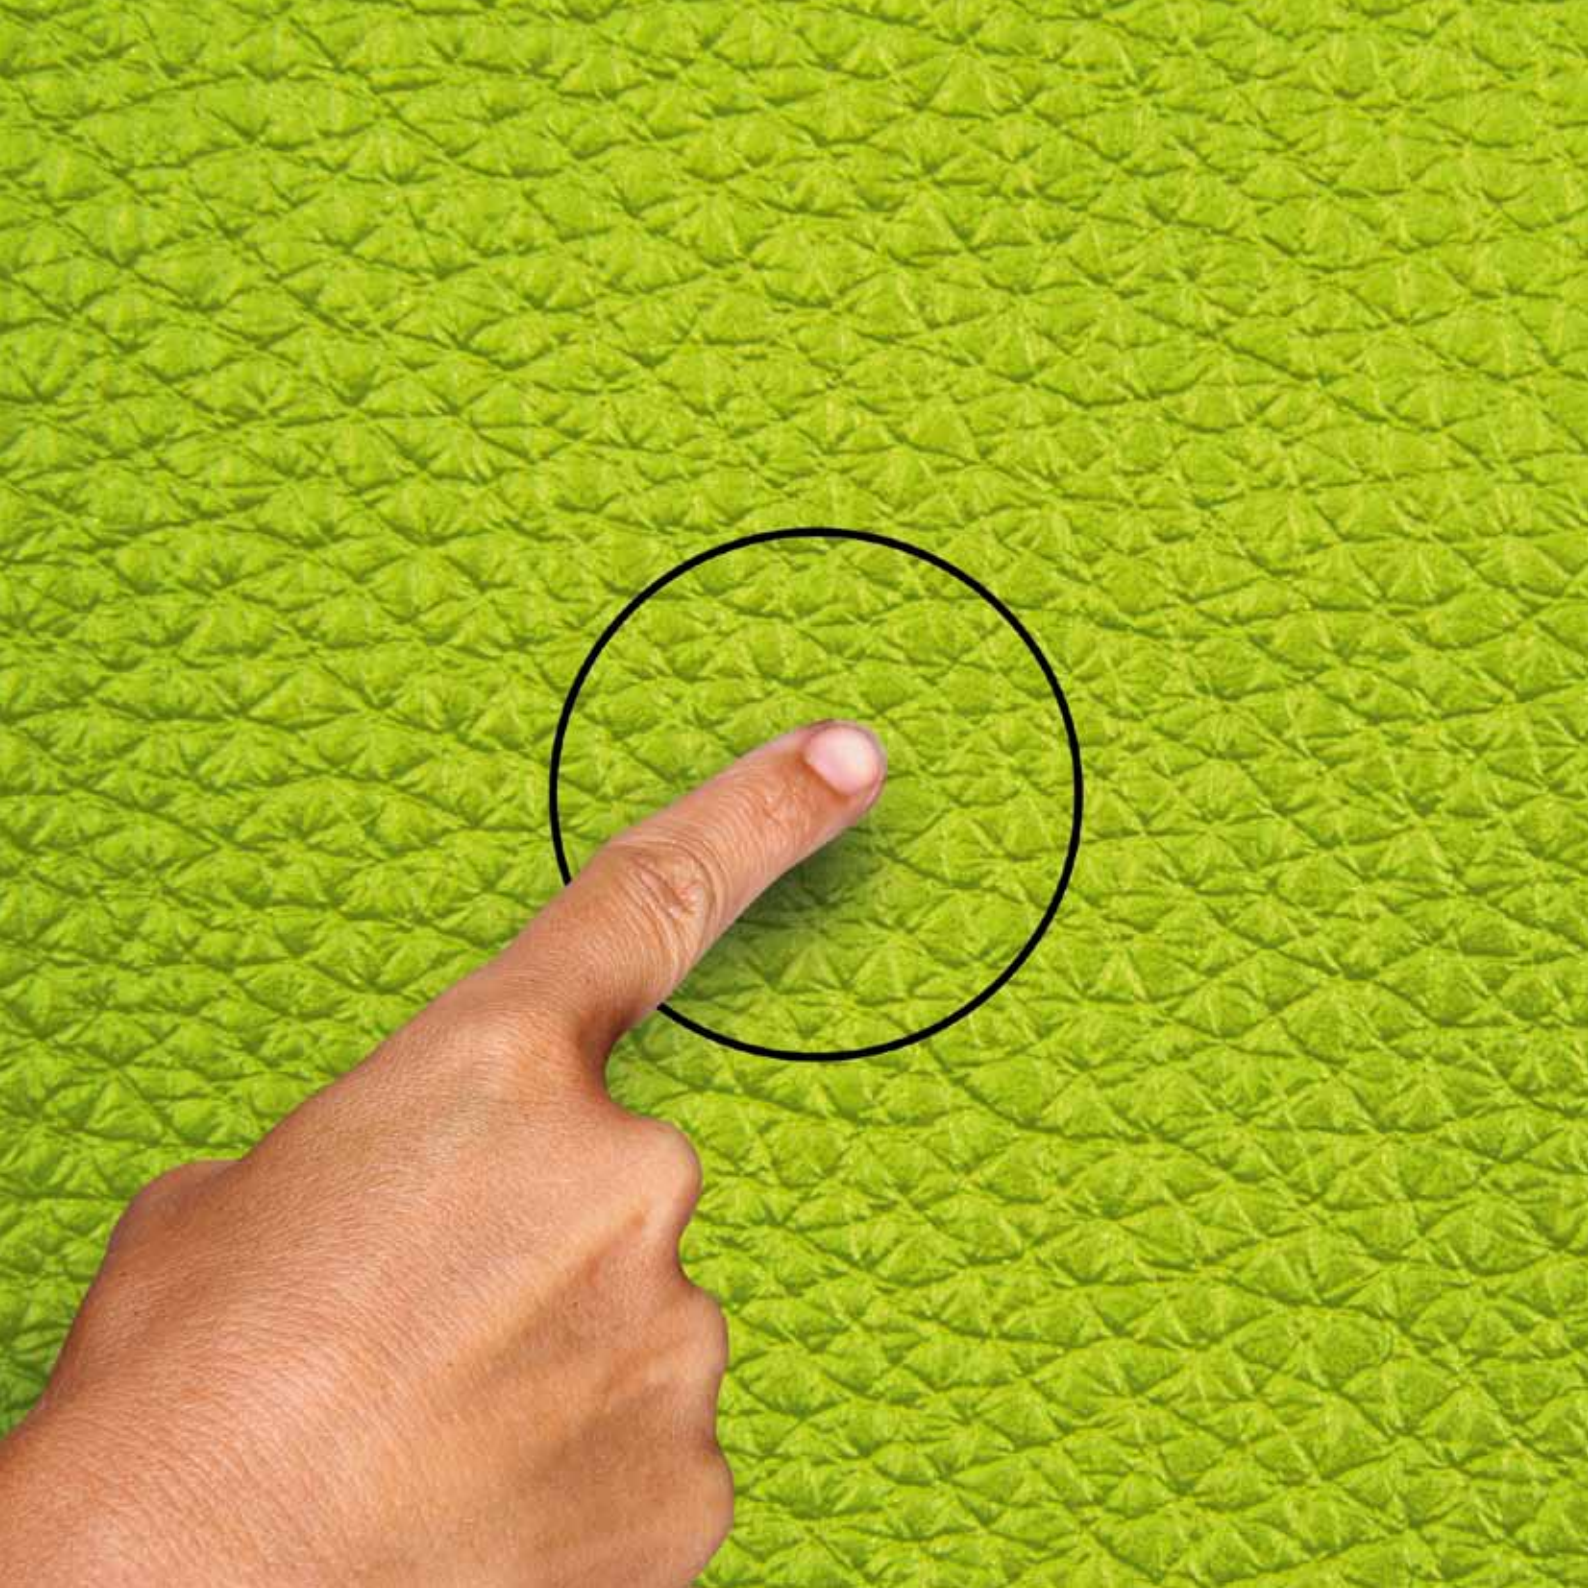

A dark, dimly lit room, possibly a hallway or a room with a door. The door handle is visible on the left side. The text "Wave to switch on lights." is overlaid on the right side of the image.

Wave to switch on lights.

**Niko** *Mysterious* push button

The image features a background with a color gradient from light green on the left to a pale yellow on the right. The left side of the image is covered in a repeating, embossed pattern of irregular, diamond-like shapes, resembling a textured surface like leather or a specific fabric. The text "A chameleon-like interior." is centered in the lower half of the image.
